

Create a dreamy landscape in your downtown, park or shopping destination.

Cascading light sticks are an attractive way to decorate a treelined street or a park for the holidays. Random movement of light gives an illusion of a dreamy landscape turning busy main streets in to a destination for crowds and shoppers alike. For more information on Cascading Lights please call us at 1-800-655-7311 or email us at sales@projectgraphics.com.
