"Easy to use" instructions for your Expandable display

1 Remove frame and graphic from nylon bag.

2 Ensure "adjustable feet" of frame are on the floor. Pull up display into upright position.

3 Lock all hooks between front and back hubs.

4 Adjust leveling feet for desired angle. OneFabric display can now easily be moved into position.

5 **OPTIONAL**
Attach lights to top of frame by sliding the plastic "x blocks" under the frames cross section.

Warning:

To avoid damage, separate end caps and disconnect ALL hooks before collapsing the frame.

How to install or replace graphics on your OneFabric:

1 Assemble frame and lay flat on its back. Pull up display into upright position.

2 Starting at one corner, attach velcro loop (on the graphic) to the velcro hook (on the frame). NOTE: Velcro on the graphic should extend 1/4" to 1/2" beyond velcro on the frame (it should not be

3 Working in a continuous direction around the frame, attach the rest of the graphic. Make sure the graphic is pulled taut while attaching the velcro.

4 If needed, make adjustments to the velcro where needed.
