

Large format graphics will not let your event go un-noticed!

Great way to draw attention to your event in large spaces. Perfect for concert entryways, hotspot designation. 4 large format vinyl speaker mesh graphics (two 7'x15' and two 5'x15' shown) are securely tied to scaffolding. Nylon pennant flags on 4 corners are sold separately.

Speaker mesh with 70% blow through reduces wind force on the structure the banner is installed on.

Please call for pricing based on the dimensions of the structure to be covered.
