

## Reverse Bleed Dacron Banners Incredible Price Points

Project Graphics reverse bleed dacron banners are now offered at historical low price points.

Banners are fabricated with lightweight dacron fabric and have 85% of the image bleeding through to the reverse side. They can be fabricated for all types of applications ranging from store windows, interior graphics or for use on existing hardware and hanging systems.

Call us for other low-cost options for your next promotional event.

Pricing good thru 2010.

Pricing below is for single-sided imprint with choice of finishing options.

For pricing on other banner sizes please call 800-655-7311.

Dacron banners, single ply with 85% bleed thru, full color, finished to spec. (lamp-posts, flags, retail)
