

PROJECT GRAPHICS

Create a Brushed Metallic Visual with Metal-Tex

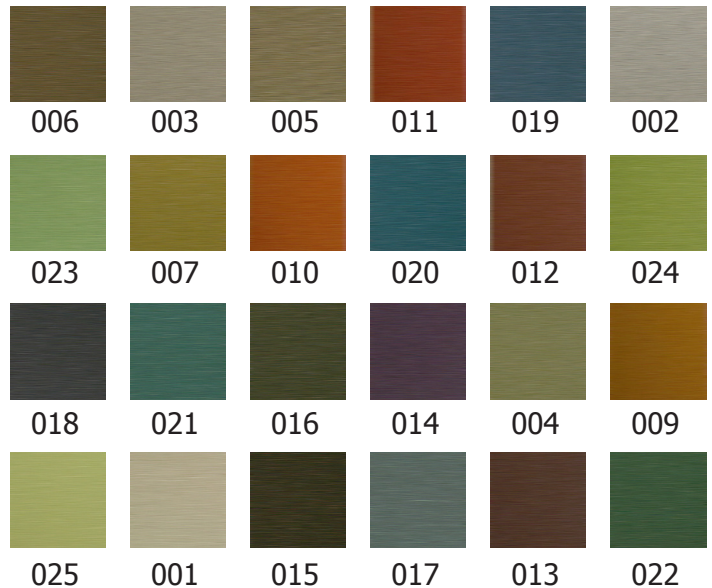

Metal-Tex is another unique fabric used at Project Graphics in the the manufacturing of hanging display banners. It is easily imaged with screen print graphics adding a high-quality brushed metallic sheen to any message.

Behind the scenes.

Project Graphics finishing department can custom cut and sew a variety of fabrics and surfaces. Rob Henkel, pictured here, puts the finishing touches to a banner display manufactured with Metal-Tex.

There are 24 irredescent colors available
