

Stock Holiday Décor

Fabric interior banners are created with luxury polyester fabric that is inherently flame retardant. All interior banners are available in the stock sizes below or can be custom made for your unique installation.

Overhead Swags

Overhead Doorway & Hall Banners with Metallic Gold Trim

Snowflake Ribbons with Metallic Gold Trim

Snowflake Attachment

Hanging Fringed Banner

Snowflake Banners

Single & Double Loop Bows

Overhead Swags: Ideal for atriums 24' long x 2' wide suspended by two gold dowels with gold ball finials. 6" gold bullion fringe hangs from each tapered point.

Overhead Doorway & Hall Banners: Ideal for hallways, over doors and aisles. Two options are available, 8" wide x 3' high with inverted or tapered point. Specify when ordering.

Snowflake Ribbons: Ideal for high ceilings. All ribbons are 1' wide and stocked in various lengths of 4-foot, 6-foot and 8-foot. They are suspended from a gold dowel with two gold ball finials. Hang separately or together.

Snowflake Attachment: 12" PVC white snowflakes can hang from existing banners or be used independently in a kinetic display.

Bows: Fabricated with 100% solution dyed Sunbrella marine fabric, bows can be used indoors and outdoors and come with wire ties for attachment. Red bows are available with single and double loops and in three standard sizes: 18", 24" and 36". Custom size and colors are available.

Hanging Fringed Banner: Ideal for atriums and high ceilings. Available 4' x 6' and

4' x 12' with gold bullion fringe attached to tapered point. Suspended from a gold dowel with two gold ball finials.

Snowflake Banners: For ceilings, columns, atriums, hallways. 3' x 8' snowflake banner hangs vertically or horizontally. Please specify orientation when ordering so that the proper dowel kit is included.
